BOARD UPDATES

Covenant Partner Meeting

One of the roles of the Board of Elders is to discern where God might be leading our church. An important way we do this is by engaging with Covenant Partners regularly.

The next opportunity for Covenant Partners and the Board of Elders to meet will be on September 29 at 8:30 am at the Sioux Center campus and 10:30 am at the Hawarden campus. At our last few covenant partner meetings, we focused on one of our values, and in small groups we discussed questions related to that value. At our September meeting we will be continuing this pattern and plan to discuss the value of "Living on Mission." We are very interested in hearing about your vision and your experience of "Living on Mission" and look forward to hearing from you.

As a reminder, Covenant Partners are members who are baptized, have professed their faith in Jesus as their Lord and Savior, and are committing to take responsibility for Centerpoint Church. Covenant Partners commit to supporting the mission, vision, and values of Centerpoint Church, to worshipping regularly, to serving within the church where they are gifted, and to financially support the church. If you are baptized, have made profession of faith, and are interested in becoming a Covenant Partner, you may sign the Covenant Partner agreement at any time by stopping in the central services office. If you are not baptized or have not professed your faith and are curious about that, one of our pastors or an elder would love to engage in a conversation with you about what your next steps could be!

LIVING ON MISSION

Our mission, "Reaching beyond ourselves to make Christ known," is more than an event or program. Together, we are following the Holy Spirit into a vibrant, generous, life-giving journey to share Christ's love in our homes, our church, our community, and throughout the world.

FINANCIAL UPDATE

We are currently 54% behind in giving.
