

THE GREATEST STORY EVER TOLD

We are bombarded with messages today. Those messages suggest how great *this* purchase or *that* new thing would change our lives. The stories we are being told can be overwhelming. The challenge for us this Christmas is to engage with the reason for the season. The story of Jesus coming to earth to redeem mankind is remarkable and hard for many of us to believe, but that's why it's The Greatest Story Ever Told.
